### **VOLUNTARY ANNOUNCEMENT**

This announcement is made by Risecomm Group Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis.

In view of the outbreak of the coronavirus (COVID-19) epidemic (the “**Epidemic**”) in the People’s Republic of China (the “**PRC**”), a number of provinces and municipalities in the PRC have taken various emergency public health measures and actions, including travel and transportation restrictions in various cities in the PRC, to prevent the spread of the Epidemic. Such measures have led to extensive disruption to the normal operation of some of the businesses in the PRC, as a result of, among others, a shortage of workforce and disruption to the logistics network in some areas of the PRC.

At present, full resumption of operation and production of the Group is delayed. The Group is preparing to gradually resume full operation and production, subject to further development of the Epidemic and the relevant PRC government policies announced from time to time.

The board of directors (the “**Board**”) of the Company will continue to monitor closely the development of the Epidemic and relevant PRC government policies and will ensure resumption of full operation and production of the Group as soon as possible to the extent practicable. The Company will make further announcement(s) as and when appropriate.

**Shareholders and potential investors of the Company should exercise caution when dealing in the shares of the Company.**
